Common Processes

Customer Service Representative

1. How do I create a new order?
2. How do I edit an existing order?
3. How do I void an order?
4. How do I change my user information?
5. How do I find an existing order?
6. How do I view information about an order?
7. How do I track a package?
8. How do I view order notes?
9. How do I exit the system?

FIG. 6

HOW DO I VIEW INFORMATION ABOUT AN ORDER?

Step 1
From the Main Menu select the All Orders link.

[Click here for more details](#)

Step 2
This page allows you to view all orders. Select the order that you wish to view details about by clicking on the Order link.

[Click here for more details](#)

Step 3
This page will give you details about the order. This includes information about who shipped the order, where the order is going, and what the order contains. You can return to the Order Listing page by clicking on the Return to Shipping link.

1. Print the label: Select Print from the File menu in this browser window to print the label below (please use only laser printers).

2. Fold the printed label at the dotted line: Place the label (address side up) in a UPS shipping pouch. If you do not have a pouch, affix the folded label using clear plastic shipping tape over the entire label area being careful not to damage the bar codes or addresses.

3. Pickup: Have your shipment(s) ready for the daily pickup as usual. If you are using a different 'ship from' address than your dealer address or if you want to schedule a different pickup time, please call our customer service number.
